# ISH SUMMER EXPERIENCE

Discover an incredible future within hospitality

Part of **Sommet Education**, Indian School of Hospitality (ISH) is an institution of higher education focused on reimagining hospitality education for today's generation and tomorrow's businesses. The ISH philosophy is to impart lifelong skills to students to help them succeed as leaders of tomorrow – giving them the tools they need to shape one of the biggest industries worldwide.

ISH students benefit from global articulation pathways and Sommet Education's global network. Our education structure is aimed at providing the ideal foundation for managerial and leadership development, entrepreneurship, and lifelong learning.

At ISH, we're proud of our strong industry connect and a global talent network. With the campus serving as the heart of our community, we've created an ecosystem that brings together students, employers, industry leaders, community members, as well as global partners in education, all under one roof.

Our undergraduate culinary programme is offered with the expertise, know-how and industry recognition of **École Ducasse**, a global network of culinary and pastry schools founded by multi-starred Chef Alain Ducasse.

◆ **Les Roches**  
Alliance

Our undergraduate hospitality management programme is offered in alliance with **Les Roches**, one of the world's leading hospitality business schools with campuses across the world including Switzerland, Spain and China.

# Welcome to the Summer Experience Programme!

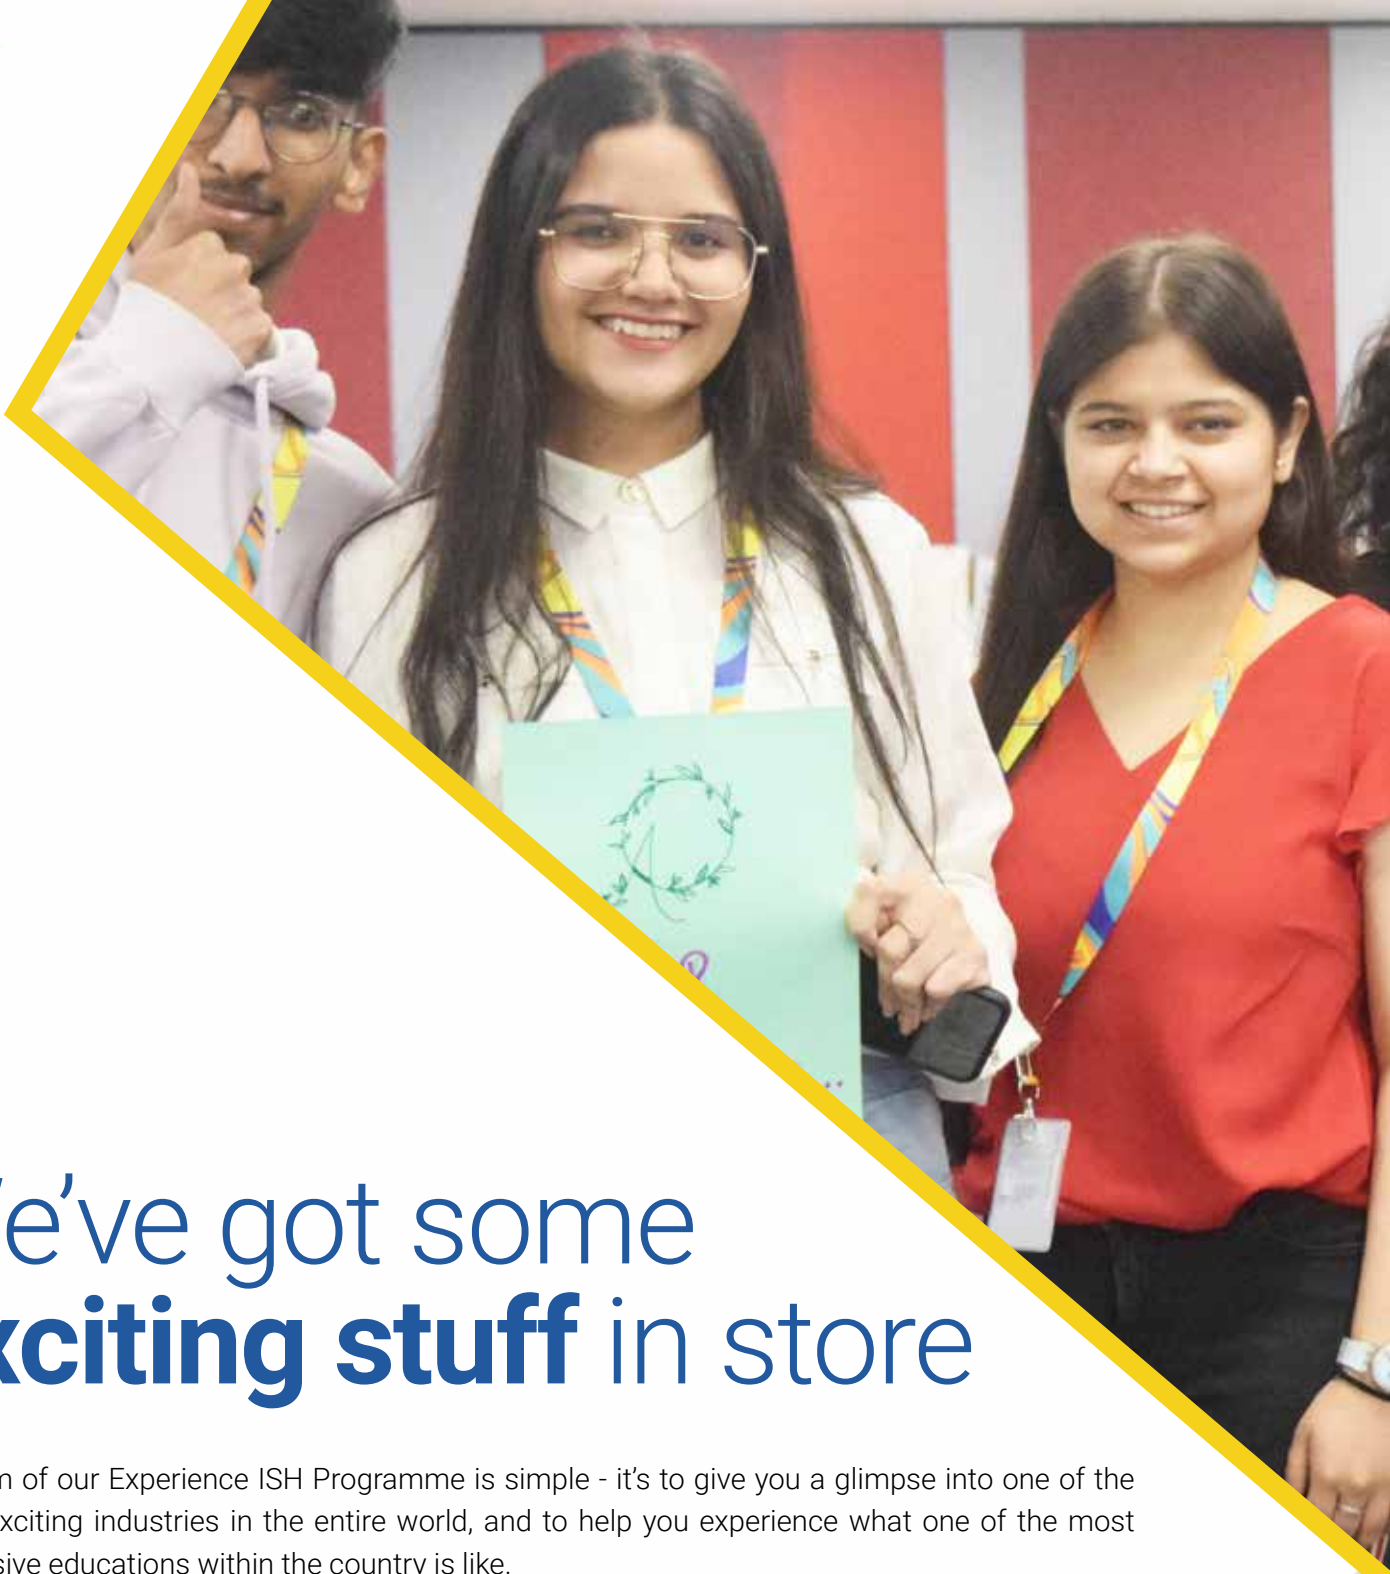

We're very excited to invite you to our Summer Experience Programme. With our unique programme, we'll be able to give you an exclusive sneak peek glimpse into life as an ISH student and the opportunity to get an insider's guide to the interesting world of hospitality and culinary arts.

During your time with us, you'll be introduced to the 'ISH Way of Life', brought to you by our faculty of industry experts and experienced chefs during our workshops in the day. In the evening, fun social activities will help you get better acquainted with your batchmates and see what student life at ISH is like. At every step of the programme, you'll be surrounded by friendly faces. Following our welcome and address by our Founders and Deans, our team will be there to conduct workshops and events,, take you to and from our campus, shuttle you back to your hotel accommodation and be available at all times during the course of the programme.

We hope this journey we take together gives you some unforgettable experiences, incredible friendships, and a passion to pursue your ambitions within the world of hospitality and cuisine with us.

# We've got some **exciting stuff** in store

The aim of our Experience ISH Programme is simple - it's to give you a glimpse into one of the most exciting industries in the entire world, and to help you experience what one of the most immersive educations within the country is like.

Every single workshop, module and interaction of the Summer Experience is carefully crafted to give you an exclusive insight into the world of hospitality and culinary arts by those who are active players within these industries themselves.

Even better, we've invited some notable icons to come and get acquainted with you - including celebrity chefs, bespoke artisans and other professionals who have made an impact on these industries, who will share their exciting journeys with you.

It is a vibrant, exciting and ever changing world out there and it is our endeavor to prepare you to be future proof, fostering a spirit of entrepreneurship and innovation through a uniquely designed academic curriculum.

# Become a part of the **diverse experience** economy

At the ISH, we understand the nuances of the hospitality and services – as well as the needs of the new age Gen Z student. One of the fastest growing industries worldwide, hospitality requires talent that's more versatile and flexible than ever before. Our aim is to provide you with the relevant skills, mindset and spirit to succeed as the leaders, entrepreneurs and innovators of tomorrow.

With our Summer Experience Programme, we're giving you the opportunity to get an insider's glimpse into our entire world, and show you where an education with ISH can take you.

By joining us in this programme, you'll get to see just how special our approach to education really is. At ISH, we value the importance of learning as much as teaching - giving you the freedom and flexibility to learn and discover in your own unique learning style, helping you imbibe information better and pick up skills faster. With our programme, you'll get a preview of our unique teaching style from our own host of faculty, chefs, and special guest speakers, introducing you to our holistic educational experience that will help shape your entire journey with us at ISH.

We believe in the importance of being future-ready. To do so, we're employing a dynamic approach to education that encourages active learning, critical thinking, group collaboration, research, and self-discovery.

The face of global industries is changing and we think it's time for education to catch up too. We're revolutionizing hospitality education and fostering the leaders, innovators and influencers of tomorrow. Become future-ready. Become a part of Indian School of Hospitality.

**Giving you the freedom and flexibility to learn and discover in your own unique learning style.**

# Experience a dynamic education **with ISH**

The hospitality industry is one of the largest across the globe - providing 1 in every 10 jobs globally and accounting for over 10% of the entire world's GDP. Increasing globalisation and the changing way we live our lives are helping drive the growth of the experience economy.

Technology has completely changed our lives, while enabling other industries to intertwine into our everyday existence. Our society and consumer expectations are no longer just about the product – the service surrounding it has become just as important as the product itself, with the knowledge of having the right formula on delivering an authentic, enjoyable and personalised experience a key factor for companies and corporations the entire world over. Delivering the right experience to consumers has now become crucial – and professionals who know how to do so are absolutely indispensable.

# Immerse yourself in **culinary arts** with experts

Chefs across the world are coming into the limelight as we're coming together more than ever before to celebrate the art of cooking, food, and gastronomy. Culinary arts are no longer hidden away behind the swinging doors of restaurant kitchens - they're something people are in awe of, admire, and aspire to be a part of. An education in culinary arts now has the potential to open up a world of opportunities like never before.

At ISH, our goal is to nurture our students into culinary experts backed with an entrepreneurial mindset and a strong business background. Our culinary arts programme imbibes students with essential business knowledge for operations in today's world in tandem to practical and theoretical culinary training. The result is a graduate who is a capable culinary professional with the additional ability to conceptualise, plan and execute business strategies; giving them the freedom to successfully pursue their own entrepreneurial venture or take part in operations.

During our Experience ISH Programme, students will take their first steps in the world of culinary arts under the guidance of our international chefs. Moreover, students will have the chance to meet our celebrity chef guests who will be sharing their unique experience and advice.

# See what every day life is like as an **ISH student**

The core philosophy at the heart of all we do is to ensure students find joy in learning, have a productive environment, and can fully focus on their educational and personal journey. The aim of our programme is to let them discover our cutting-edge campus for themselves and become familiar with the up-and-coming technology currently being used by both ISH and the industry to help them widen their horizons.

From culinary workshops in our specialised kitchens, to live broadcasts in our auditorium - they'll get to see how we're bringing together technology and education to deliver the most exceptional standards of training and education. More importantly, we want our participants to see hospitality and the culinary world as a dynamic and exciting world full of rewarding experiences. We anticipate students to come away from the programme excited, energised and more familiar with their future opportunities in one of the biggest industries across the world.

# Accommodation & transport

Our Summer Experience offers you twin sharing accommodation at the Holiday Inn, Gurgaon, with absolute proximity to the campus. A daily shuttle service will ferry you to and from the programme activity locations and for city visits. ISH prides itself in offering a seamless learning experience through its industry partnerships.

As your safety is paramount to us, and we have taken special care to keep travel distances minimal. Your stay at the Holiday Inn allows you a premium accommodation experience with the added benefit of safety and its proximity to the ISH campus.
